**A BI-MONTHLY PUBLICATION OF THE HCT**

**Heisey Collectors of Texas Study Club**

The Heisey Collectors of Texas met in Dallas on July 13, 2013. We met on a very warm 103 degree Saturday. However, the heat did not deter 13 members and one guest, Kathryn Baird, granddaughter of Charles Baird, from attending. Peggy Moseley was the hostess and served us a delicious lunch on various patterns of Heisey plates.

Following the lunch we had our business meeting.

Treasurer, Erma Hulslander, gave the treasure report. She reminded the members that HCT membership dues of \$10 is currently due. Erma announced that she plans to resign after many years serving as club treasure. Please remember to send Erma your dues.

July is the month to elect new officers. Mike Morgan, Greg Freeman, and Sharon Sweeney all agreed to serve another term. Tiffany Brant was not present and has agreed to serve as treasure.

Anne Neighbors volunteered to serve as club photographer.

President Morgan reported that HCA Director, Larry Burge, is doing a great job promoting group tours of the Museum.

Sharon Sweeney was recognized for bringing in four new members during the past year.

Mike Morgan has been named to head the HCA Educational Committee. He asked members to e-mail him if they have any ideas for the education committee.

Sharon Sweeney, Mike Morgan and George Ann Powell were commended for earning a total of \$5,497 from the HCA Convention silent and live auctions. President Morgan requested that "thank you letters" be sent to all who donated items for the auctions, and to give HCA recommendations for the 2014 Convention Auctions.

Members were encouraged to send George Mc Neil get well cards. A sympathy card will be sent to John Minton whose wife, Wanda, passed away recently.

Pres. Morgan reminded the members that HCA gift shop is always in need of donated glass.

The theme for the meeting was to report and discuss the recent June 2013 HCA Convention. Twelve of the HCT members attended the convention. President Mike asked each one who attended to tell their highlight of the convention. All of our attendees had a wonderful time and enjoyed being with other Heisey members who love Heisey as much as they do. During the meeting we viewed a DVD of convention pictures.

Marjorie Stormer said she thoroughly enjoyed attending the Convention and urged all members to attend future conventions. She and other members purchased many pieces of Heisey glass during their convention trip.

The next club meeting will be on Saturday, September 14 at the home of Greg and Candy Freeman.
